Challenge students to be daring, creative, and confident revisers and editors with the help of writing expert Vicki Spandel! Based on its highly successful parent texts, *Creating Writers* and *Creating Young Writers*, this new grade-level series *Creating 6-Trait Revisers and Editors* offers teachers a fresh, multi-level lesson series written for the second grade through eighth grade classroom. Vicki Spandel presents classroom teachers with effective tools for strengthening revision and editing skills—thereby increasing the power of writing process. These focused lessons allow students to experience dramatically heightened success as revisers—something many have never known. Each research-based volume includes a wealth of interactive lessons based on samples of problematic writing that students revise or edit in teams, with a follow-up coaching discussion led by the teacher. Clear illustrations and step-by-step instructions for each lesson help teachers know precisely what writing skill to focus on—how to introduce it, present it, and reinforce it in students' own writing. Unlike most writing lessons, *Creating 6-Trait Revisers and Editors* shows revision in action. Students practice revision and editing skills on texts other than their own—in groups, individually, and with partners. A goldmine of focused revision opportunities helps students build skills gradually and systematically, using their knowledge of the six traits. A focused approach ensures that the content of each lesson is manageable. Vicki skillfully incorporates strategies, ideas, and samples from literature so that even teachers who have previously felt timid about modeling writing and revision will gain the confidence they need to jump right in and lead students in effectively taking control of their own writing process.
