You get these eggs (extraordinary, Fine, Ordinary, Bad) in Feralas, south of the Ruins of Isildien. They are pretty much in the hills...They are called the Hipporyph eggs and those are the ones to collect, however you can only hold one at a time. You then take them back to the egg lady in Tanaris, and put it in the egg-o-matic.

An Extraordinary Egg by Leo Lionni. An Extraordinary Egg by Leo Lionni is a great picture book that promotes a sense of belonging, friendship and identity. "On Pebble Island, there lived three frogs: Marilyn, August, and one who was always somewhere else.". Jessica, the other frog, finds a large, grey egg and according to her two friends, it is a 'chicken' egg.

The story is cute and shows friendship among different creatures. I thought the humor of the book was great with the frogs convinced that the mystery egg was a chicken egg. They even call their new friend "chicken." Very cute book! We have really enjoyed it. I would highly recommend The Extraordinary Egg to others.
