Chains is the first in the Seeds of America trilogy. Written for younger readers, it brings this period in history to lif Once I got into this story it was very compelling. The story is set in New York City during the American Revolution and told by a 13-year-old enslaved African American girl, Isabel.

Chains (Seeds of America, #1) by Laurie Halse Anderson

Chains is the first novel in the Seeds of America trilogy, a series of historical novels that follows the story of thirteen- year- old Isabel, an African American slave fighting for her and her younger sister's freedom while the Revolutionary War is occurring. The story sets in New York in the years 1776 to 1777, when slavery was legal and common in the colonies. Though the novel is fictional, the events in the story are actual events that occurred back then in the colonies. Some examples of the

Seeds of America Series by Laurie Halse Anderson

Freedom meant so many things during the mid-1770’s in the United States. While patriots fought for their own freedom, they did so at the expense of their slaves. Laurie Halse Anderson's Chains is a tale of the struggle for freedom: The freedom of one young slave girl and her sister as well as freedom from British tyranny for American Colonists.

Chains (Seeds of America, #1) by Laurie Halse Anderson

From acclaimed author Laurie Halse Anderson comes this compelling first novel in the historical middle grade The Seeds of America trilogy that shows the lengths we can go to cast off our chains, both physical and spiritual. As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom.

"As the Revolutionary War rages on, Isabel and Curzon are reported as runaways, and the awful Bellingham is determined to track them down. With purpose and faith, Isabel and Curzon march on, fiercely determined to find Isabel's little sister Ruth, who is enslaved in a Southern state"--

A stunning adventure story with an unforgettable lead character - a tale of kindness, suffering and the struggle to overcome. A National Book Award finalist in the U.S.

What would you risk to be free? It’s 1776 and Isabel, Curzon, and Ruth have only ever known life as slaves. But now the young country of America is in turmoil—there are whisperings, then cries, of freedom from England spreading like fire, and with it is a whole new type of danger. For freedom being fought for one isn’t necessarily freedom being fought for all...especially if you are a slave. But if an entire nation can seek its freedom, why can't they? As war breaks out, sides must be chosen, death is at every turn, and one question forever rings in their ears: Would you risk everything to be free? As battles rage up and down the Eastern seaboard, Isabel, Curzon, and Ruth flee, separate, fight, face unparalleled heartbreak and, just like war, they must depend on their allies—and each other—if they are to survive. Which leads to a second, harrowing question: Amidst so much pain and destruction, can they even recognize who their allies are?

"As the Revolutionary War rages on, Isabel and Curzon are reported as runaways, and the awful Bellingham is determined to track them down. With purpose and faith, Isabel and Curzon march on, fiercely determined to find Isabel's little sister Ruth, who is enslaved in a Southern state"--

Chains (Seeds of America, #1) by Laurie Halse Anderson

The critically acclaimed, award-winning, modern classic Speak is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's Speak: The Graphic Novel comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

Gritty and hard hitting, this is thoughtful teen fiction at its finest. Seventeen-year-old Tyler is the popular boy in high school after years of being "the geek". But then Bethany - rich, blonde, beautiful - is the victim in a teenage sex scandal, and somehow Tyler is the prime suspect. Can Tyler find a way out of the mess he's in?

Isabel finds herself grappling with ethically-complex matters of the heart as she tries to juggle her responsibilities to friends, family, and the philosophical community. With two small boys to raise, a mountain of articles to edit for the Review of Applied Ethics, and the ever-increasing demands of her niece, Cat, who always seems to need a helping hand at the deli, Isabel barely has any time for herself. Her husband, Jamie, suggests acquiring extra help, and she reluctantly agrees. In no time at all, Isabel and Jamie have a new au pair, and Isabel has an intelligent assistant editor to share her workload. Both women, though, have romantic entanglements that threaten to interfere with their work, and Isabel must decide how best to navigate this tricky domestic situation. Can an employer ever inject herself into her employees’ affairs? Meanwhile, Isabel makes the acquaintance of Patricia, the mother of Charlie’s friend Basil. Though Isabel finds Patricia rather pushy, she tries to be civil and supportive, especially given that Patricia is raising her son on her own, without the help of his father, a well-known Edinburgh organist, also named Basil. But when Isabel sees Patricia in the company of an unscrupulous man, she begins to rethink her assumptions. Isabel must once again call on her kindness and keen intelligence to determine the right course of action, at home, at work, and in the schoolyard.
