Text for Introduction to Music Education and Teaching Elementary Music K-12

Critical Issues in Music Education: Contemporary Theory and Practice provides a current introduction to key issues facing music educators. Designed as the main text for a Music Education Theory course or as a supplement for introductory courses on Music Education and Music Education Methods, this text presents a series of essays, written by key leaders in the field, each focusing on a single issue. It provides the most up-to-date, inclusive, and comprehensive introduction of any text on the market. Most of undergraduate music teacher education focuses on developing the skills and understandings necessary to become a practitioner. The updated second edition links theory and practice, offering multiple perspectives so that music teachers are prepared as well-rounded professionals, better equipped to develop into leaders in the field. Rather than focusing on answering, "What to do" questions, Critical Issues in Music Education focuses on addressing "Why" questions,

Co-published by MENC: The National Association for Music Education. A History of American Music Education covers the history of American music education, from its roots in Biblical times through recent historical events and trends. It describes the educational, philosophical, and sociological aspects of the subject, always putting it in the context of the history of the United States. It offers complete information on professional organizations, materials, techniques, and personalities in music education.

This volume of essays references traditional and contemporary thought on theory and practice in music education for all age groups, from the very young to the elderly. The material spans a broad range of subject areas from history and philosophy to art and music, and addresses issues such as curriculum, pedagogy, assessment and evaluation, as well as current issues in technology and performance standards. Written by leading researchers and educators from diverse countries and cultures, this selection of previously published articles, research studies and book chapters is representative of the most frequently discussed and debated topics in the profession. This volume, which documents the importance of lifelong learning, is an indispensable reference work for specialists in the field of music education.

More than any other person, Deke Sharon is responsible for the current success of pop a cappella. Founder of the House Jacks (the original "rock band without instruments"), Deke continues to influence through his work with The Sing-Off, Pitch Perfect, Pitch Perfect 2, and Vocalosity. Combine Deke's expertise with that of directors Ben Spalding and Brody McDonald, add a foreword by Ben Folds, throw in advice from contributors like Peter Hollens, and you have the most comprehensive volume ever created on the subject of contemporary a cappella singing. Sections include: * Setting the Stage * Getting the Band Together * Arranging * Preparing * Technology * Making a Name * and more!
