This is the latest release in Enduring Word Media's commentary series by David Guzik. David Guzik's commentaries are noted for their clear, complete, and concise explanation of the Bible. Pastors, teachers, class leaders, home study groups, and everyday Christians all over the world have found this commentary series remarkably helpful.

Mark's gospel is a rapid fire account of Jesus' ministry focusing primarily on His many miracles. This eyewitness account presents the boldest and clearest witness of Jesus' identity as the Son of God with power!

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

In this six-session video study, author and pastor Jeff Manion guides participants through the Gospel of Mark, revealing what the Gospel writer's words meant to his readers and what they mean to us today.

With this twelve-week accessible study for young adults, Mark: How Jesus Changes Everything, John Perritt points readers toward a better love and appreciation for their compassionate savior and suffering servant. Created for one-to-one discipleship, small group, or large settings, this guide is theologically rich in a time when biblical illiteracy is growing among Christians. Rather than a message of moralism, Mark introduces students to Jesus: the lover of the least and the hero of heroes. Perritt outlines many helpful questions paired with Scripture readings for personal reflection or group discussion. Through in-depth examination of the book of Mark, article readings, and applicable exercises, students experience the compassion and authority of Christ. He helps young adults ask difficult questions: Why was Jesus angry in the book of Mark? How does Peter's denial of Jesus still fit into God's perfect plan? What does it mean that even Jesus begs his Father to allow suffering to be removed from him? By helping students walk away with a better understanding of the themes in the gospel of Mark, Perritt offers them a better understanding of the man, Jesus Christ, who is the gospel—the one who changes everything.

New Collegeville Bible Commentary The Gospel According to Mark Volume 2 The absence of stories of Jesus' birth and infancy, a minimum of Jesus' parables and a resurrection scene without sight or sound of the risen Jesus have tempted readers to shortchange Mark's Gospel. Thanks to the insightful analysis and inspiring reflections of Marie Noonan Sabin, anyone studying this premier Gospel with her guidance will recognize the genius of the original author. Sabin asserts that Mark's Gospel is not an eyewitness account or a work of biography or history. She writes, What Mark gives us is far richer. He interprets Jesus in the light of the Hebrew Bible, showing Jesus to be not only a teacher of Wisdom but Wisdom itself, calling his followers to an unconventional wisdom, a way of living (and a way of dying) that he himself exemplifies." The cover of this commentary from The Saint John's Bible highlights Sabin's thesis that the transfiguration of Jesus is pivotal to the Gospel: "The scene [9:2-8]overshadows both parts of the Gospel, emphasizing God's creative, transforming, transfiguring power to restore life." Sabin gives special attention to Mark's key words and phrases (e.g., "release," "rise up" or "be raised," "straightway," and "ecstasy") and his pattern of twos and threes. Especially helpful are the summaries at the end of each chapter. Here is a commentary that will restore Mark's prime place among the other two Synoptic Gospels. Marie Noonan Sabin, Ph.D., has taught the Gospel of Mark at Bangor Theological Seminary; an earlier book on Mark, Reopening the Word, was published by Oxford University Press in 2002.

Discover the Secret of Paul's Joy Despite being imprisoned for his beliefs, Paul writes a joyful letter to his partners in the gospel. Paul's experiences give him authority when he challenges them to persevere in the work of Christ and when he instructs them how they can find peace and contentment in perilous times. As we read, we, too, can discover the secret of Paul's joy and experience his triumphant confidence in Christ.
