Information on routine servicing and repair for the DIY mechanic, with tasks described and photographed in a step-by-step sequence.

by John Wickersham This radically updated third edition encompasses the very latest developments in motorcaravans. It is full of practical information for both new and experienced owners and includes an overview of models, maintenance and repairs on habitation elements, explanations of construction methods, practical advice concerning appliances, and detailed descriptions of motorcaravan supply systems. The content is invaluable for owners of both leisure vehicles based on van conversions and coachbuilt models constructed on a separate chassis. Guidance is also given on accessories, weight restrictions, modifications, restoration work and self-build projects.
