Following the victim ' s final warnings, Nina and Eddie travel to Cairo to inspect the newly discovered tomb of Alexander the Great. But the real find is hidden in one of its treasures—a mechanical guide leading to one of antiquity ' s most tantalizing myths: a spring of water said to give eternal life to those who drink it. Nina, Eddie, and a team of Mossad agents realize that the myth is real, and that a group of former SS men who have tasted this water are now hunting for its source. But before they can act, Nina is kidnapped and spirited away to a secret Nazi enclave in Argentina, igniting a fierce, fateful, globe-spanning struggle in which her life hangs in the balance. All the while a terrifying possibility emerges—that the world ' s darkest evil could live on forever. [McDermott 's] thrillers have become increasingly accomplished, confident and rounded. The characters of Nina and Eddie are so well developed they appear almost to have a life of their own and their story has become arguably the most important aspect of the books. The plots are always exciting, pacy and gobsmacking [and] the runaway train action is matched by heart, with many laugh-out-loud lines as well as other scenes of devastating sadness or cruelty. What a fantastic series! " —For Winter Nights " As ever, Andy McDermott mixes high-action car chases, gun battles and mysterious quests, then shakes them well to provide an explosive cocktail. A breakneck running battle on a speeding train is an absolute classic, reminiscent of Bond films at their best. " —Crime Review " An excellent thriller, exhausting, laugh-out-loud funny and gobsmackingly heartbreaking. If you like high octane thrillers then you cannot miss this book. " —Parmenion Books

Racing across the world, American archaeologist Nina Wilde and ex-SAS bodyguard Eddie Chase must find the Land of Darkness, a natural spring that gives rise to the source of immortality, before it is discovered and exploited by evil, self-serving forces. Original.

And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; and said to the mountains and rocks, "Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: for the great day of his wrath is come; and who shall be able to stand?" Revelation 6:15-17 Accused of domestic terrorism, Emilio Vega was on his way to a Department of Global Security death camp when the mega-quake hit. The streets beneath his transport vehicle buckled, tossing the van in the air like a toy. He survived the crash, but the world is now in ruins. However, for a condemned man, this disaster may be just the lucky break he needed. Emilio has been left behind! Six detainees were in the van prior to the quake. However, only Emilio and one other prisoner were still around when he regained consciousness. Emilio searched the surrounding area, but to no avail. The missing prisoners believed in an event called the rapture, when Jesus would collect His saints before raining down unbearable wrath on the planet's remaining inhabitants. Can Emilio and Mackenzie survive the gauntlet of destruction known as the Great Tribulation? Mackenzie Thompson, the other prisoner still present, is convinced that it was the rapture and that they've been left behind. She also believes a time of unparalleled torment is about to be poured out upon the earth. Emilio and Mackenzie have a place to go, but it is hundreds of miles away. The roads are unusable, and the two of them are fugitives on the run. If this truly is the Great Tribulation, it's off to a bad start. Don't miss this exciting new end-times thriller. And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound! Revelation 8:13 Jesus warned that the Great Tribulation would be a time of unmatched tumult and human suffering. As Emilio and Mackenzie are finding out, the Messiah's words were no hyperbole. They've survived the Seven Seal Judgements and the First Trumpet. But the coming wave of destruction foretold by the prophecies will bring about chaos they never could have imagined. Upon arriving back at the resistance compound in Kentucky, Emilio and Mackenzie discover a deep schism among the members. Multiple people are attempting to fill the power vacuum left by Hinkle's

death. If the group can't work out their differences, they'll never be able to stand against the Global Order. The Third Trumpet sounds and a comet strikes the earth which releases heavy toxins into the environment. Chemicals from the asteroid leach into the ground and poison the water supply. The group rushes to find a solution, but some of the members give up and head for the nearest OASIS city in Atlanta. Emperor Lucius Alexander promises distilled water and sustenance in exchange for the souls of those who will bow only to him. As if Emilio and Mackenzie didn't have enough trouble already, they're spotted by Global Order peacekeepers while on a mission to salvage materials for a larger water distillation system. If they manage to survive the firefight, more tribulation and turmoil await. They'll need to be strong in body, mind, and spirit if they have any hope at all of surviving the coming catastrophe. However, if you're offended by conservative principles and references to Scripture, this book might not be for you.

And I heard a great voice out of the temple saying to the seven angels, "Go your ways, and pour out the vials of the wrath of God upon the earth." Revelation 16:1 Emilio Vega has managed to stay alive for the first six years of the Great Tribulation but things are about to heat up with the coming of the Bowl Judgments. Tensions are high among the members of Emilio's underground compound. The constant pressure to find food in what has become an utter wasteland only adds to the animosity. Faced with starvation, other survivors around the Mammoth Cave area have resorted to cannibalism. These flesh-eaters represent an existential threat to Emilio's group. While on a routine patrol, Emilio runs into one such tribe known only as the forest people. It is uncertain whether or not he will survive the encounter. Even if he does, the world is becoming less hospitable by the day. Emperor Lucius Alexander issues a temporary amnesty for those holdouts who still have not received the mark. He promises to provide food and shelter to all the refugees still living in the deserted badlands once known as America. However, some believe this may be just another one of his schemes. Emilio has a strange dream. He feels impressed by the Holy Spirit to go to Jerusalem. But Israel is an ocean away and Emilio is still a fugitive from justice in the eyes of the Global Order.
