Organizational Behavior, 7e by McShane/Von Glinow helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation organisational behavior (OB) instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organizational Behavior, 7e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

M: Organizational Behavior, 4th edition by McShane and Von Glinow delivers essential OB knowledge in an accessible, student-focused style. Students learn the latest concepts and associated workplace practices, with real-world examples to demonstrate their relevance. This book builds on the strengths of the main textbook, including a strong literature foundation, excellent readability, meaningful exhibits, and a global representation of examples. Through Connect, students also have access to dozens of self-assessments and learning activities. Our most affordable offering, this book also adopts the view that OB is for everyone in organizations, not just for managers.

Organizational Behavior, Sixth Edition is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Aimed at professors who take a research based and conceptual approach to organizational Behaviour. Luthans demonstrated why a thorough understanding and implementation of organizational Behaviour applications must be a part of a successful business' overall strategy. To reflect and reinforce the applications orientation of the text real world examples appear in each chapter. Revision includes the results of meta-analysis (a statistical pooling technique that draws general conclusions from many different studies). Revised chapters concentrate on the new workplace (chapter 1); information technology, total quality and organizational learning (chapter 2); diversity and ethics (chapter 3); and international organizational Behaviour (chapter 19).

The Seventh Edition of Canadian Organizational Behaviours truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

M: Organizational Behavior, 2e provides the essential OB knowledge to students in an accessible, student focused presentation. This text builds on the strengths of the main textbook, including a strong literature foundation, excellent readability, meaningful exhibits, global representation of examples, and presentation of both core and emerging topics. McShane/Von Glinow allows students to practice applying concepts via Connect. M: Organizational Behavior: Connecting students to the world of OB.

Organisational Behaviour 6e and its rich suite of digital educational resources leads the market in this exciting field. Now in its sixth edition, the engaging text has been developed to satisfy the evolving needs of learners and academics with its offerings of contemporary theory and research, real-world examples, learning resources and visually stimulating design. CONTEMPORARY AND INFORMED New and updated discussions of current theories and practice that encourage critical analysis Features that reinforce the text's Asia-Pacific focus as well as its global orientation RELEVANT AND ENGAGING New OB Insight and OB Ethics features New and revised chapter opening vignettes New end-of-chapter and holistic case studies help students practise their diagnostic skills and apply OB concepts Updated OB by the Numbers features highlight interesting survey results ENABLES EFFECTIVE LEARNING Organisational Behaviour 6e is recognised for its up-to-date content presented in a clear, focused, accessible and thought-provoking style that enables learners to link theories with real-world practices.
