'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

Brian has always felt invisible at school, but when a new student, Justin, arrives, everything changes.

Increasingly boys and men are suffering with eating disorders and related body image problems. Some have full-blown conditions such as anorexia nervosa, bulimia, binge eating, compulsive exercising or bigorexia. Others are distressed by slightly lesser degrees of disordered eating or over-exercise and seek ways of overcoming their problems. The Invisible Man applies the latest research to produce a practical, problem-focused self-help manual for men with eating disorders and body image problems. Divided into four sections, this evidence-based survival kit covers: the wider cultural context of male body image problems features unique to men science fact and science fiction a 7 stage approach to treatment. By combining the science of cognitive behaviour therapy with motivational enhancement and problem-solving therapies, The Invisible Man provides help to all men with body image disorders, as well as families and professionals involved in their care.

A New York Times Bestseller An unflinching account of what it means to be a young black man in America today, and how the existing script for black manhood is being rewritten in one of the most fascinating periods of American history. How do you learn to be a black man in America? For young black men today, it means coming of age during the presidency of Barack Obama. It means witnessing the deaths of Oscar Grant, Trayvon Martin, Michael Brown, Akai Gurnley, and too many more. It means celebrating powerful moments of black self-determination for LeBron James, Dave Chappelle, and Frank Ocean. In Invisible Man, Got the Whole World Watching, Mychal Denzel Smith chronicles his own personal and political education during these tumultuous years, describing his efforts to come into his own in a world that denied his humanity. Smith unapologetically upends reigning assumptions about black masculinity, rewriting the script for black manhood so that depression and anxiety aren't considered taboo, and feminism and LGBTQ rights become part of the fight. The questions Smith asks in this book are urgent--for him, for the martyrs and the tokens, and for the Trayvons that could have been and are still waiting.

The work of one of the most formidable figures in American intellectual life." -- Washington Post Book World The seventeen essays collected in this volume prove that Ralph Ellison was not only one of America's most dazzlingly innovative novelists but perhaps also our most perceptive and iconoclastic commentator on matters of literature, culture, and race. In Going to the Territory, Ellison provides us with dramatically fresh readings of William Faulkner and Richard Wright, along with new perspectives on the music of Duke Ellington and the art of Romare Bearden. He analyzes the subversive quality of black laughter, the mythic underpinnings of his masterpiece Invisible Man, and the extent to which America's national identity rests on the contributions of African Americans. Erudite, humane, and resounding with humor and common sense, the result is essential Ellison.

First published in 1897, The Invisible Man is one of the first science fiction stories. The disturbing tale centers on Griffin, a scientist who has discovered the means to make himself invisible. His initial, almost comedic, adventures are soon overshadowed by the bizarre streak of terror he unleashes upon the inhabitants of a small village. Notable for its sheer invention, suspense, and psychological nuance, The Invisible Man had been filmed many times and continues to enthrall science-fiction fans today as it did the reading public nearly 100 years ago.

Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

These 13 stories by the author of The Invisible Man "approach the elegance of Chekhov" (Washington Post) and provide "early explorations of (Ellison's) lifelong fascination with the 'complex fate' and 'beautiful absurdity' of American identity" (John Callahan). First serial to The New Yorker. NPR sponsorship.
