Children's novel, Stig of the Dump, is a modern classic that's often read as part of the English literature curriculum. Written by the late Clive King, it relates the tale of a bored schoolboy, Barney, who meets a caveman called Stig living in an unofficial rubbish dump in a chalk pit.

A boy befriends a young caveman in this modern children's classic of friendship and adventure. Barney isn't supposed to go near the chalk pit. His grandmother and sister both told him the edge could give way and he could fall in-but what else is he supposed to do on a miserable gray day? It's not long before Barney falls into the pit and bumps his head. But where he lands is more than an old garbage dump: It's a home. There's a little hut built out of discarded junk, and more surprisingly, there's a boy, about Barney's age, inside. He speaks in grunts instead of English, wears a rabbit-skin loincloth, has shaggy black hair, and might be named something that sounds like "Stig." Barney befriends him immediately. Together, Barney and Stig go on all sorts of adventures, building a chimney for Stig's hut, joining a foxhunt, stopping robbers, and catching a leopard escaped from the circus! Barney and Stig's escapades have been delighting children for more than fifty years, while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure.

One day, Barney, a solitary little boy, falls into a chalk pit and lands in a sort of cave, where he meets 'somebody with a lot of shaggy hair and two bright black eyes' - whom he names him Stig. And together they enjoy some extraordinary adventures. A much-loved classic story.
