In The Greatest, My Own Story, Ali revealed that he threw his Olympic gold medal into the Ohio river because of the racism he faced in his hometown of Louisville, Kentucky. According to the book, Ali and his friend, Ronnie King, rode their motorbikes to a downtown restaurant, where the pot-bellied owner refused them service and they were taunted by a handful of customers.

Everybody knows the record the stuff of almanacs, trade magazines and clipping services. A handful know the man. But only Muhammad Ali knows his life as he lived it. The Greatest is Ali's own story. For six years he worked, traveled and talked with Richard Durham, a writer with a stunning talent, and the result is mesmerizing in its brilliance, drama, humanity and sheer entertainment. This is no documented scrapbook of wins and losses strung together with anecdotes; nor is it a thin potpourri of locker room gags. This book, like Ali who has incited every reaction except indifference goes straight to the place where responses to him have always been the gut. When the history of the twentieth century is finally recorded, it must include Muhammad Ali. He is "The Greatest."

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

The champion prizefighter offers a blow-by-blow commentary on his profession, his family and friends, and other boxers

From his childhood in the segregated South to his final fight with Parkinson's disease, Muhammad Ali never backed down. He was banned from boxing during his prime because he refused to fight in Vietnam. He became a symbol of the antiwar movement - and a defender of civil rights. As "The Greatest," he was a boxer of undeniable talent and courage. He took the world by storm - only Ali could "float like a butterfly, sting like a bee!" Muhammad Ali: Olympic gold medalist, former heavyweight champion, and one of the most influential people of all time.

One of the most recognizable, respected and inspirational men on earth, Muhammad Ali is the world's most famous boxing hero. Ali brought unprecedented speed and grace to the sport, and his charm and wit changed forever what the world expects of a champion athlete. In the words of over two hundred of Ali's family members, associates, opponents, friends and enemies, this comprehensive and honest portrait relates his legendary sporting accomplishments, as well as the high drama of life outside the boxing ring. From Olympic gold in Rome, to stunning victory over George Foreman in Zaire, every historic victory and defeat of Ali's career is covered. His controversial embrace of the Nation of Islam - with the renunciation of his 'slave name', Cassius Clay - and the historic refusal to be inducted into the US Army makes for compelling reading. Ali became America's first national conscientious objector, and with a willingness to stage his fights in Third World locales, he continued his advocacy for people in need which was honoured in 2000 when he became a United Nations Messenger of Peace. Charismatic, dedicated and a skilful self-publicist, Ali is the living embodiment of the American Dream. This is the biography to match his achievements.

Former boxing legend Muhammad Ali, one of the best-known and best-loved celebrities and an international good-will ambassador, offers inspiration and hope as he describes the spiritual philosophy that sustains him. "During my boxing career, you did not see the real Muhammad Ali. You just saw a little boxing. You saw only a part of me. After I retired from boxing my true work began. I have embarked on a journey of love." So Muhammad Ali begins this spiritual memoir, his description of the values that have shaped and sustained him and that continue to guide his life. In The Soul of a Butterfly the great champion takes readers on a spiritual journey through the seasons of life, from childhood to the present, and shares the beliefs that have served him well. After fighting some of the fiercest bouts in boxing history against Joe Frazier and George Foreman, today Muhammad Ali faces his most powerful foe--outside the boxing ring. Like many people, he battles an illness that limits his physical abilities, but as he says, "I have gained more than I have lost....I have never had a more powerful voice than I have now." Ali reflects on his faith in God and the strength it gave him during his greatest challenge, when he lost the prime years of his boxing career because he would not compromise his beliefs. He describes how his study of true Islam helped him accept the changes in his life and has brought him to a greater awareness of life's true purpose. As a United Nations "Messenger of Peace," he has traveled widely, and he describes his 2002 mission to Afghanistan to heighten public awareness of that country's desperate situation, as well as his more recent meeting with the Dalai Lama. Ali's reflections on topics ranging from moral courage to belief in God to respect for those who differ from us will inspire and enlighten all who read them. Written with the assistance of his daughter Hana, The Soul of a Butterfly is a compassionate and heartfelt book that will provide comfort for our troubled times.

Muhammad Ali was the most inspirational and controversial sports figure of all time! Muhammad Ali was born and raised in a country torn apart by hate and racism. He learned to box at an early age and earned at Gold Medal at the Olympics in 1960. He devoted his life to becoming the greatest boxer the world had ever known and used his celebrity status to focus attention on injustice and inequality at home and abroad. He was an inspiration to many as a world class athlete, a Heavyweight Champion, an activist, and a man that refused to live by any other rules than his own. He was never afraid to take risks and he showed the word what living life fearlessly was all about. Muhammad Ali was loved and revered by citizens from all over the globe. In this book you will learn why this man was truly a legend in his own time.

"Rahaman has, at last, written the definitive biography on his late brother, which tells the real Ali story." –Mike Tyson More words have been written about Muhammad Ali than almost anyone else. He was, without doubt, the world's most-loved sportsman. At the height of his celebrity he was the most famous person in the world. And yet, until now, the one voice missing belonged to the man who knew him best–his only sibling, and best friend, Rahaman Ali. No one was closer to Ali than Rahaman. Born Cassius and Rudolph Arnett Clay, the two brothers grew up together, lived together, trained together, travelled together, and fought together in the street and in the ring. A near-constant fixture in his sibling's company, Rahaman saw Ali at both his best and his worst: the relentless prankster and the jealous older brother, the outspoken advocate, the husband and father. In My Brother, Muhammad Ali, Rahaman offers an insider's perspective on the well-known stories as well as never-before-told tales, painting a rich and intimate portrait of a proud, relentlessly polarizing, yet often vulnerable man. In this extraordinary, poignant memoir, Rahaman tells a much bigger and more personal story than in any other book on Muhammad Ali–that of two brothers, almost inseparable from birth to death. It is the final and most important perspective on an iconic figure.

FLOAT LIKE A BUTTERFLY - Muhammad Ali: The Greatest Boxer In HistoryOn June 10 2016, hundreds of people lined the streets of Louisville, Kentucky, as a procession of black cars drove slowly by. A hearse, strewn with flowers placed by onlookers, carried the mortal remains of Muhammad Ali, born Cassius Marcellus Clay, Jr. The procession wound its way to Cave Hill Cemetery, where the ex-boxer known to the world as 'The Greatest' was laid to rest in a private ceremony. It was a fitting end to a life that, powerful as it was, had really shone outside of the limelight. But how did a boy from the streets of Louisville, Kentucky rise through the ranks to become one of the most famous sportsmen on the planet, and the undisputed greatest boxer ever to have lived? Float Like A Butterfly looks at the Ali story, from his early life, through to his career, his politics and his legacy on the world. A must-read for any Muhammad Ali or boxing fan.

The bestselling biography of Muhammad Ali—with an Introduction by Salman Rushdie On the night in 1964 that Muhammad Ali (then known as Cassius Clay) stepped into the ring with Sonny Liston, he was widely regarded as an irritating freak who danced and talked way too much. Six rounds later Ali was not only the new world heavyweight boxing champion: He was "a new kind of black man" who would shortly transform America's racial politics, its popular culture, and its notions of heroism. No one has captured Ali—and the era that he exhilarated and sometimes infuriated—with greater vibrancy, drama, and astuteness than David Remnick, the Pulitzer Prize-winning author of Lenin's Tomb (and editor of The New Yorker). In charting Ali's rise from the gyms of Louisville, Kentucky, to his epochal fights against Liston and Floyd Patterson, Remnick creates a canvas of unparalleled richness. He gives us empathetic portraits of wisecracking sportswriters and bone-breaking mobsters; of the baleful Liston and the haunted Patterson; of an audacious Norman Mailer and an enigmatic Malcolm X. Most of all, King of the World does justice to the speed, grace, courage, humor, and ebullience of one of the greatest athletes and irresistibly dynamic personalities of our time.
