Tomorrow's Promises - Don Pullen | Songs, Reviews, Credits ...

Tomorrow's Promises is an album by American jazz pianist Don Pullen recorded in 1976 and 1977 and released on the Atlantic label.

Tomorrow's Promises - Wikipedia

3 or 4 minutes of Last Year ' s Lies and Tomorrow ' s Promises could be called Free Jazz, but 90% of this record is not, I agree. According to the liner notes, « On Big Alice, the rhythm stomps along in a echo of Bo Diddley from an era call rock ' n ' roll » that ' s the first and the longer track of the record, Post Bop & Contemporary Jazz, that ' s exactly what it is.

Don Pullen - Tomorrow's Promises (1977, PR, Vinyl) | Discogs

TOMORROW's PROMISE was an excellent male soul group from the '70's who recorded the classic "You're Sweet, You're Fine, You're Everything" on Capitol, the equally mellow "Never Take Your Love From Me" on Mercury Records and the uptempo "Good Love." If you like The Ebonys, Black Ivory and Soul Generation you will love this group.

Tomorrow's Promise Saturday, 14 March 2015. Chapter 1 - Genesis of a thought. It was late Autumn and the room had begun its seasonal change. George could smell the transformation just as clear as he could see the winter sky that hovered above the lighthouse. The wood, the dust, it all met together in a heady aroma of change.

Tomorrow ' s promise is a pleasant read with heartwarming story. The characters are well developed which will make you love them more as you go forward. The dilemma faced by the female lead and the way she handles her emotion is very practical and portrays the human nature where a person become so comfortable in their zone that coming out of it becomes a journey even if the zone is painful.

to go back into service again after working as a driver and mechanic in London. But she is forced by her mother's illness to accept her old position as housemaid in order to stay in the small Lancashire town, and her stepfather will stop at nothing to get her under his control again. Meanwhile, Seth Talbot is also facing difficulties when he takes over as local policeman in a town where the law has been flouted for years ... \*\*\*\*\* What readers are saying about TOMORROW'S PROMISES 'Gripping from the start to the end' - 5 stars 'An absorbing story' - 5 stars 'Excellent read, as usual' - 5 stars 'One of her best' - 5 stars 'A great book by a great author' - 5 stars

From iconic NBA All-Star Carmelo Anthony comes a raw and inspirational memoir about growing up in the housing projects of Red Hook and Baltimore—a brutal world Where Tomorrows Aren ' t Promised. For a long time, Carmelo Anthony ' s world wasn ' t any larger than the view of the hoopers and hustlers he watched from the side window of his family ' s first-floor project apartment in Red Hook, Brooklyn. He couldn ' t dream any bigger than emulating his older brothers and cousin, much less going on to become a basketball champion on the world stage. He faced palpable dangers growing up in the housing projects in Red Hook and West Baltimore ' s Murphy Homes (a.k.a. Murder Homes, subject of HBO ' s The Wire). He navigated an education system that ignored, exploited, or ostracized him. He suffered the untimely deaths of his closely held loved ones. He struggled to survive physically and emotionally. But with the strength of family and the guidance of key mentors on the streets and on the court, he pushed past lethal odds to endure and thrive. By the time Carmelo found himself at the NBA Draft at Madison Square Garden in 2003 preparing to embark on his legendary career, he wondered: How did a kid who ' d had so many hopes, dreams, and expectations beaten out of him by a world of violence, poverty, and racism make it here at all? Carmelo ' s story is one of perseverance and determination; of dribbling past players bigger and tougher than him, while also weaving around vial caps and needles strewn across the court; where dealers and junkies lined one side of the asphalt and kids playing jacks and Double Dutch lined the other; where rims had no nets, and you better not call a foul—a place Where Tomorrows Aren ' t Promised.

From Shelley Shepard Gray, New York Times bestselling author and the “ skilled storyteller who reminds the reader through her characters that faith can help us survive the ups and downs in life ” (RT Book Reviews) comes a warm-hearted and charming novella. Two years have passed since their friend Andy ' s death, and the Eight is still struggling to cope with their loss. In an attempt to give the group some time to reconnect with one another, remember their friend, and reflect on the last two years, Marie decides that a relaxing couple ' s getaway is just what they need before the craziness of the holiday season begins. When their large cabin in the woods turns out to be more rundown than rustic, though, Marie fears that she ' s ruined everything, but at least, she thinks, the trip can ' t get any worse—that is, until a lost English girl named Beth appears at the cabin. And with such heavy snow, the Eight is forced to take her in for the next twenty-four hours. Although Marie feels as if all her planning and good intentions were for nothing, she has no idea that Beth will give the group a gift they didn ' t know they needed: the reminder that life may not always be fair and sometimes it ' s painful, but there ' s always another day. With Shelley Shepard Gray ' s signature “ thought-provoking, emotional ” (Patricia Davids, USA TODAY bestselling author) prose, Promises of Tomorrow is a moving story of love, friendship, and faith.

Ellen Dawson is glad when the Great War ends, but sad that Lady Bingham's aides are to be disbanded. She can't bear to go back into service again after working as a driver and mechanic in London. But she is forced by her mother's illness to accept her old position as housemaid in order to stay in the small Lancashire town, and her stepfather will stop at nothing to get her under his control again. Meanwhile, Seth Talbot is also facing difficulties when he takes over as local policeman in a town where the law has been flouted for years . . .

What could you achieve if you refused to quit on your dreams? Born in a strict religious community Jessie Shedden knew for 15 years that her dreams would mean she'd have to choose a life way outside of the one she knew. A life that restricted her freedoms and stifled her spirit as she grew up. She details the strict rules that she was bound to conform by and the how things weren't what they seemed. Now having found her freedom Jessie openly describes her journey of transition and of having the strength to walk away from everything she ever knew for a chance at a new life. She shares her emotional struggles and how she chose to handle them as she developed into who she is today. How she weighed over ending everything or taking a punt on a new life in the unknown. She tells of what she's achieved in the short time since leaving and how nothing is holding her back from all that she plans to accomplish. Let Jessie show you how you can overcome anything, stand up for who you are, push through your fear and reclaim your power. And how, even if you have had an unusually tough start in life, it doesn't mean its game over.

No mother ever expects to grieve the death of her child before or immediately after the child is born. But the National Institute of Environmental Health Sciences reports that as many as 31 percent of all pregnancies end in miscarriage, stillbirth, or infant loss. When the unthinkable happens, where do women turn for help? Written from the perspective of one grieving mommy to another, Hope for Today, Promises for Tomorrow is a ten-week study that will encourage and challenge women to delve into a deeper understanding of God's Word. As women engage in biblical teaching, they will learn to embrace God's promises of love, goodness, purpose, comfort, peace, refinement, restoration, hope, and eternity. Hope for Today verses peppered throughout each chapter, journaling cues, prayers, and the stories of other women who have experienced loss will help readers move from grieving in silent solitude to living life in the richness of God's love. While other books suggest a one-size-fits-all method for grief management or focus on understanding specific causes of child loss, Hope for Today, Promises for Tomorrow offers comfort for the reader, whatever her situation, by helping her focus on the light of the ultimate Promise, the hope of a Savior, Jesus Christ.

A girl with nothing left to lose . . . The Great War opened up an exciting new career for Vi in London. But that was yesterday. Now the war's over, her husband is dead and she needs to pick up the pieces of her life. On her way home from work she meets a man who is in huge need of her help. Recently demobbed, Joss Bentley has no job or home and, with his wife dead, there's a new baby to care for - and, what's more, it's not his. As he searches grimly for its real father, he runs up against people who will use any means necessary to conceal dark secrets, and Vi finds herself faced with conflicting loyalties. Whichever way she moves, it seems she'll hurt someone - or they'll hurt her . . .

Pittsburgh Pennsylvania is known as 'steel country.' But its name also implies its penchant for producing hard-nosed, tough-minded individuals. Who no matter how dark things get, always manage to overcome. So it should come as no surprise that 13 year old Derrick, is a product of this town. When his mother succumbed to her crack habit, Derrick was left as the sole provider for himself and a pair of younger sisters. While simultaneously still in middle school and trying to keep his grades up. One fateful afternoon, Derrick is summoned to the principal's office. As he's en route, the young Pittsburgh native has no idea that once he steps through those doors... his life will never be the same.
