Discover the real sources of many of the traditions, beliefs, and techniques of modern Witchcraft! And what author Raven Grimassi reveals in Hereditary Witchcraft is the documented ancient roots of the Old Religion. One-by-one, Grimassi goes through the tenets of Witchcraft and shows their ancient sources. The association of the pentagram with Witchcraft goes back at least 2,500 years. The idea of the four elements goes back to a philosopher named Empedocles of Sicily in around 475 B.C.E. The practice of many covens today of having a Priestess, Priest, and Maiden can be traced back over 2,000 years to ancient Pompeii. This book is filled with history, myth, and folklore. But it is also filled with rituals and techniques that you can do. On these pages you will learn how to prepare and banish a magic circle. You'll learn rituals you can do by yourself, including those for the Solstices, Diana's Day, and Cornucopia. With this information you can become a follower of the Old Ways! Of course, one of the most famous aspects of Witchcraft is magick. Grimassi doesn't disappoint here, either. You'll learn runic magick and divination; you'll learn about doing magick with the Moon and stars; you'll learn secret symbols and the powers of herbs. If you are a Witch - or you're thinking about becoming a Witch - this is one of the most important books you could possibly have. You'll find the documentation to support the antiquity of your beliefs and the way Witchcraft is practiced today. This book is both a guide for everyday life and a resource to discover Wiccan origins. If you don't have a copy of this book, get one today. You'll use it for the rest of your life.

Italian Witchcraft (previously titled Ways of the Strega) by respected author Raven Grimassi is more than just a book about Witchcraft. It is a complete Book of Shadows. In it you will find the history of this ancient tradition, its legends and myths, as well as the rituals and rites that you can do today. You can be a Strega! The book includes a full set of rituals that you can do. You'll find rituals for all of the Italian Witchcraft holidays including Shadow Fest, Luperus, Tana's Day and more. You'll also find rituals for the Full Moon, Births, funerals. There is a practical side to this book, too. It is filled with instructions so that you can cast spells and work with the powers of incense, oils, herbs, and candles. You'll learn to work with the magick of the Moon and Stars. You'll be able to do protection rituals and learn how to cure someone who has received the "Malocchio" (Evil Eye). Many of the mysteries revealed here have never been published before. You'll learn secret gestures of power and secret symbols. And you can use them all! Also revealed are the secrets of the tools of the Italian Witch. You'll learn how to prepare the "Spirit Blade" and the ritual wand. You'll learn how to make the Spirit Bowl and use to consecrate other tools and talismans. If you're looking to discover real Witchcraft, or if you're already a Witch but are thinking about other traditions, this is the book for you.

A workbook listing angels from ancient civilizations to modern day who can give you help, knowledge and protection; and how you can call upon each one.

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaires around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic--an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."--Ed Fitch, author of Magical Rites from the Crystal Well "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."--Marion Zimmer Bradley, author of The Mists of Avalon "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."--Dorothy Morrison, author of The Craft

Pre-Gardnerian account of the Old Religion is "a real gem....The best book on witchcraft I have ever seen" (Marion Weinstein).

This thorough writing enables the curious seeker to pin down a truly progressive path in perhaps one of the oldest forms of spiritual and magical awareness. To initiates and those in the know, 'the old religion' gives a name to this path. More commonly, the old religion is called Wicca. In this book, you'll find the means to realise your position as a natural born magician. This book encourages the reader to become aware of the symbolic meanings associated with witches tools like the pentacle. Once the reader understands what the pentacle represents, they can enter into the world of creating energetic influences, or magic. This book gives a solid, straightforward grounding into what the Old Gods mean, working with the elemental forces, casting magical circles, practising Sabbat ceremonies and much more. The author, Nigel Cox, is a practising witch who brings his knowledge of witchcraft and the old religion into an easy to read and straightforward way, encouraging those interested in this pagan path to mean confidently into it, and if the reader chooses, initiate as a witch and develop a meaningful relationship with the old gods, witchcraft and the old religion.

Discover, for the first time in one complete work, the rich legacy of magick and ritual handed down by Italian witches through the generations. Ways of the Strega reclaims the beliefs and practices of southern European Pagan spirituality. Learn the secrets of Janarra (lunar) witches, Tanarra (star) witches, and Fanarra (ley lines) witches. This book also details the how-to's of modern Strega traditions.

This is the first survey of religious beliefs in the British Isles from the Stone Age to the coming of Christianity. Hutton draws upon a wealth of new data to reveal some important rethinking about Christianization and the decline of paganism.

This book sheds new light on the ancient origins of religion to give Wiccans, Witches, and the Neo-Pagans a sense of where they belong in history.
