Fans of Jane the Virgin will find much to love about The Go-Between, a coming-of-age novel from bestselling author Veronica Chambers, who with humor and humanity explores issues of identity and belonging in a world that is ever-changing. She is the envy of every teenage girl in Mexico City. Her mother is a glamorous telenovela actress. Her father is the go-to voice-over talent for blockbuster films. Hers is a world of private planes, chauffeurs, paparazzi and gossip columnists. Meet Camilla del Valle–Cammi to those who know her best. When Cammi’s mom gets cast in an American television show and the family moves to LA, things change, and quickly. Her mom’s first role is playing a not-so-glamorous maid in a sitcom. Her dad tries to find work but dreams about returning to Mexico. And at the posh, private Polestar Academy, Cammi’s new friends assume she’s a scholarship kid, the daughter of a domestic. At first Cammi thinks playing along with the stereotypes will be her way of teaching her new friends a lesson. But the more she lies, the more she wonders: Is she only fooling herself?

Making it up the aisle was the easy part: Rebecca "Bex" Porter must survive her own scandals and adjust to royal British life in this "positively delicious" follow-up to The Royal We that's "just as fun, charming, and delightful as the first" (Taylor Jenkins Reid). After a scandalous secret turns their fairy-tale wedding into a nightmare, Rebecca "Bex" Porter and her husband Prince Nicholas are in self-imposed exile. The public is angry. The Queen is even angrier. And the press is salivating. Cutting themselves off from friends and family, and escaping the world's judgmental eyes, feels like the best way to protect their fragile, all-consuming romance. But when a crisis forces the new Duke and Duchess back to London, the Band-Aid they'd placed over their problems starts to peel at the edges. Now, as old family secrets and new ones threaten to derail her new royal life, Bex has to face the emotional wreckage she and Nick left behind: with the Queen, with the world, and with Nick's brother Freddie, whose sins may not be so easily forgotten–nor forgiven.

Winner of the 2016 Tiptree Award! Longlisted for the 2016 National Book Award for Young People’s Literature Stonewall Book Award Honor “McLemore’s second novel is such a lush surprising fable, you half expect birds to fly out of the pages... McLemore uses the supernatural to remind us that the body’s need to speak its truth is primal and profound, and that the connection between two people is no more anyone’s business than why the dish ran away with the spoon.” --Jeff Giles, New York Times Book Review Anna-Marie McLemore’s debut novel The Weight of Feathers was greeted with rave reviews, a YALSA Morris Award nomination, and spots on multiple “Best YA Novels” lists. Now, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel’s wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel’s skin, convinced that their scent can make anyone fall in love. And they’re willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, When the Moon was Ours is another winner from this talented author.

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy’s life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy’s shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Dazzlingly told in the most electrifying prose you will read all year."--Marlon James, Booker Prize-winning author of Black Leopard, Red Wolf "This book teems with real, Trinidadian life: neighbors so nosy they know your business before it happens; descriptions of food that'll have you googling recipes; feting and liming and plenty of sex. There's darkness here, too--violence, loneliness, moments of despair--and how Ingrid Persaud weaves all these elements together in one book, with so much warmth and humor and love for her characters, is a wonder."--Claire Adam, award-winning author of Golden Child

‘Thrilling, unputdownable, a fabulous rollercoaster of a read – I was obsessed by this book’ B A PARIS, bestselling author of BEHIND CLOSED DOORS ‘Compelling and thoroughly addictive’ KATERINA DIAMOND, No,1 bestselling author of The Teacher and The Secret

"Reality does not comply with our narrations of it. And that is most certainly the case with the narrations produced in academia. An anthropologist in Bahia, Brazil, fears to become possessed by the spirits he had come to study; falls madly in love withan 'informant'; finds himself baffled by the sayings of a clairvoyant; and has to come to grips with the murder of one of his best friends. Unsettling events that do not belong to the orderly world of scientific research, yet leave their imprint on the way the anthropologist comes to understand the world. Reflecting on his long research experience with the spirit possession cult Candomblãe, the author shows, in a probing manner, how definitions of reality always require the exclusion of certain perceptions, experiences and insights. And yet, this 'rest-of-what-is' turns out to be an inexhaustible source of amazement, seduction and renewal." --P [4] of cover.
