Your one-stop resource for understanding current International Financial Reporting Standards As the International Accounting Standards Board (IASB) continues towards its goal of a set of high-quality financial reporting standards, and makes significant strides in achieving global convergence of accounting standards worldwide, International Financial Reporting Standards (IFRS) continue to be important to the accounting world. Wiley IFRS 2014 provides the necessary tools for understanding the IASB standards and offers practical guidance

and expertise on how to use and implement them.

For many years the International Accounting Standards Board (IASB) has been working to develop a set of accounting standards which can be used to bring about uniformity in financial reporting around the world. Uniform accounting will reduce the costs of preparing financial statements for multinational companies and facilitate the jobs of investment analysts, investors, and others in assessing business results. Written by two well-known international experts on the subject who have hands-on experience in applying these standards, this book is an indispensable guide to IFRS compliance.

— Explanations of IFRS® and IFRIC interpretations — Practical insights into implementation issues — Worked-out illustrations and examples — Case studies with solutions — Multiple-choice questions with answers — Extracts from published financial statements A one-stop resource for understanding and applying current International Financial Reporting Standards As the International Accounting Standards Board (IASB) makes rapid progress towards widespread acceptance and use of IFRS® (formerly named International Accounting Standards) worldwide, the need to understand these new standards increases. Now fully revised and updated, IFRS® Practical Implementation Guide and Workbook, Third Edition is the straightforward handbook for understanding and adapting the IFRS® standards. This quick reference guide includes easy-to-understand IAS/IFRS® outlines, explanations, and practical insights that greatly facilitate understanding of the practical implementation issues involved in applying these complex standards. Clearly explaining the IASB standards so that even first-time adopters of IFRS® will understand the complicated requirements, the Third Edition presents: Ten recently issued and revised IFRS® standards including business combinations, financial instruments and newly issued IFRS® for SMEs New International Financial Reporting Interpretations Committee (IFRIC) projects Multiple-choice questions with solutions and explanations to ensure thorough understanding of the complex IFRS®/IAS standards Case studies or "problems" with solutions illustrating the practical application of IFRS®/IAS Excerpts from published financial statements around the world Designed with the needs of the user in mind, IFRS® Practical Implementation Guide and Workbook, Third Edition is an essential desktop reference for accountants and finance professionals, as well as a thorough review guide for the IFRS®/IAS certification exam.

The globally-sourced guide to the latest IFRS, with practical application advice Wiley IFRS 2015 is a complete guide to the latest International Financial Reporting Standards set forth by the International Accounting Standards Board. Written by an international team of experts in global accounting standards, this guide provides detailed information on the latest changes to the IFRS, with comprehensive coverage of IFRIC interpretations and the tools needed to maintain IFRS-compliance. Readers will find clear, concise explanations delineated by topic for easy navigation, designed for both quick reference in-depth study, with practical advice for implementing IFRS in real-life scenarios. The goal of the IASB is to achieve global convergence of accounting standards, reducing preparation costs and facilitating the assessment of business outcomes. The IFRS are a key part of the strategy, simplifying reporting for multinational corporations and the analysts and investors tasked with evaluating results. Wiley IFRS 2015 details the most recent changes to the standards, with expert guidance toward implementation. Readers will: Grasp the underlying framework of the International Financial Reporting Standards Understand how to interpret the standards and apply them in the real world Follow the Disclosure Checklist to verify completeness and IFRS compliance Learn from the experts when implementing IFRS for the first time More and more countries are either adopting IFRS or adapting local standards to align with those set by the IASB. The standards change annually, and failure to stay up to date can affect business strategy and outcomes, especially when working internationally. Wiley IFRS 2015 provides the latest information and expert guidance, helping practitioners match IFRS to real-world practice.

The 2019 reference for the interpretation and application of the latest international standards Wiley IFRS® Standards 2019 is a revised and comprehensive resource that includes the information needed to interpret and apply the most recent International Financial Reporting Standards (IFRS®) as outlined by the International Accounting Standards Board (IASB). This accessible resource contains a wide range of practical examples as well as invaluable guidance on the expanding framework for unified financial reporting. The authors provide IFRIC interpretations and directions designed to ensure a clear understanding of the most recent standards. The IFRS® standards are ever evolving, therefore it is essential that professionals and students have the information needed to apply the standards correctly in real-world cases. Wiley IFRS® Standards 2019 offers a complete, up-to-date reference that aids in the application of the latest international standards in a manner that is transparent, accountable and efficient. This edition includes IFRS 9 Financial Instruments; IFRS 15 Revenue from Contracts with Customers; IFRS 16 Leases and amendments issued and effective for annual periods beginning on or after 01 January 2018 and 01 January 2019 as issued by the IASB by 30 June 2018. This edition also includes some introductory guidance for IFRS 17 Insurance Contracts and incorporates the revised Conceptual Framework for Financial Reporting 2018. This important guide is written by the people passionate about IFRS® at PKF International. PKF International consists of over 400 offices, operating in 150 countries across five regions. PKF International specialises in providing high quality audit, accounting, tax, and business advisory solutions to international and domestic organisations around the globe. Wiley IFRS: Practical Implementation Guide and Workbook, Second Edition is a quick reference guide on IFRS/IAS that includes easy-to-understand IFRS/IAS standards outlines, practical insights, case studies with solutions, illustrations and multiple-choice questions with solutions. The book greatly facilitates your understanding of the practical implementation issues involved in applying these complex "principles-based" standards. PS-Line

The most comprehensive guide to FASB Codifications, updated with the latest pronouncements Wiley GAAP 2020 is the essential resource for US GAAP implementation. Covering all codifications by the Financial Accounting Standards Board (FASB) - including the latest updates - this book provides clear explanations and practical examples for real-world application of these dynamic guidelines. Each chapter includes relevant sources of GAAP and expert guidance on interpretation, terminology, relevant concepts, and applicable rules, while in-depth discussion on the issues surrounding specific pronouncements offers informative perspective for a variety of scenarios. Staying up-to-date with constantly-evolving guidelines is a challenge. Wiley GAAP 2020 provides the guidance, insight, and perspective accounting professionals need to ensure accurate and up-to-date GAAP implementation.

Gain a deeper understanding of financial reporting under IFRS through clear explanations and extensive practical examples. IFRS can be a complex topic, and books on the subject often tackle its intricacies through dense explanation across thousands of pages. Others seek to provide an overview of IFRS and these, while useful for the general reader, lack the depth required by practitioners and students. IFRS Essentials strikes a balance between the two extremes, offering concise interpretation of the crucial facts supported by a wealth of examples. Problems and their solutions are demonstrated in a manner which is short, straightforward and simple to understand, avoiding complex language; jargon and redundant detail. This book is suitable for students and lecturers at universities and other educational institutions, auditing and accounting trainees, and employees in the area of accounting and auditing who seek to develop their practical skills and deepen their knowledge of IFRS.

Accounting is the provision of financial information to managers or owners, as well as to external users, so that they can make business decisions. It measures, monitors and controls business activities. Financial Accounting provides a very accessible and easy-to-follow introduction to accounting. It introduces students to accounting and provides them with a clear understanding of the theory and practice of financial accounting. The text blends theory and practice by stressing the underlying concepts and context of accounting. Text thoroughly updated to include examples that comply with the new format adopted by International Accounting Standards for listed companies. 'Real Life Nuggets' and other material from the business press will be revised and updated. A large number of end of chapter questions of escalating difficulty, together with the accompanying answers, enables the reader to develop their understanding of the key concepts discussed in the text.

The one-stop resource for IFRS interpretation and application, updated for 2017 Wiley IFRS 2017 offers a complete resource for the interpretation and application of the latest International Financial Reporting Standards (IFRS) as outlined by the International Accounting Standards Board (IASB). With up-to-date coverage and a host of practical tools, this book provides invaluable guidance on the expanding framework for unified financial reporting. Organised for easy navigation, each chapter includes general statement information followed by topic-specific discussion to facilitate both quick-reference and in-depth study. The expert team at PKF International provides authoritative insight from a practitioner's perspective: IFRIC interpretations and practical real-world guidance ensure full understanding of the newest standards, and the Disclosure Checklist helps verify compliance. The IASB's efforts are paying off as more and more countries around the globe either adopt IFRS as their national standards, or adjust local standards in alignment. A working understanding of IFRS application is becoming essential, even as the rules continue to evolve. This book provides full coverage of the latest standards and thorough guidance for implementation. Review the latest IFRS rules and standards Apply guidelines and best practices appropriately Gain expert insight on IFRS interpretation and implementation Ensure compliance and verify completeness Uniform financial reporting reduces the costs of financial statement preparation for multinational companies, and streamlines the assessment of business results. As the standards themselves evolve, so must practitioners' understanding of how to apply them correctly in real-world cases. Wiley IFRS 2017 offers a complete, up-to-date reference to help you apply and comply with the latest international standards.
