Originating in India, the Gypsies arrived in Europe around the 14th century, spreading not only across the entirety of the continent but also immigrating to the Americas. The first Gypsy migration included farmworkers, blacksmiths, and mercenary soldiers, as well as musicians, fortune-tellers, and entertainers. At first, they were generally welcome as an interesting

diversion to the dull routine of that period. Soon, however, they attracted the antagonism of the governing powers, as they have continually done throughout the following centuries. The second edition of the Historical Dictionary of the Gypsies (Romanies) seeks to end such prejudice by clarifying the facts about this nomadic people. Through a list of acronyms, a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, events, institutions, and aspects of culture, society, economy, and politics, the history of the Gypsies and their culture is told.

A hilarious and hopeful primer to prevent, combat, and eliminate the suckage in modern marriage by doing it right in the early years, from one of the minds behind the series *Sex and the City* and the New York Times bestselling authors of *He ' s Just Not That Into You*, *It ' s Called a Breakup Because It ' s Broken*, and *It ' s Just a F***ing Date* Some marriages start out storybook. Perfect proposal, perfect engagement, perfect wedding, perfect honeymoon, and perfect newlywed years. Greg Behrendt and Amiira Ruotola stumbled right out of the wedding gate. Their choices in the early years, they ' ll tell you, nearly bought their marriage a one-way ticket to Suckville. The New York Times bestselling authors explore all the adventures of early wedlock, from the moment one of you gets on one knee to the day when sex starts to feel like work instead of play. In this guidebook, Behrendt and Ruotola explore their own marriage and, with gleeful candor, tremendous warmth, sharp humor, and piercing insight, look at what we who have decided to “ settle down ” hope to get out of our most lasting relationship. We venture through volumes on the engagement, wedding planning, the Big Day, the wedding hangover, the (blissful?) first year, the hard work of marrying two lives,

fight, and sex-pectations versus sex-pectreality. The perfect book for those who have just put a ring on it or are thinking of putting a ring on it, Behrendt and Ruotola ' s work is a brilliant guide for the first stretch of that wild ride we call marriage.

Gossie and Gertie are best friends. They splash in the rain, play hide-and-seek, and they dive in the pond together. Everywhere Gossie goes, Gertie does too. Or does she?
