4) Worship old and new is fully committed to contemporary relevance. Because worship is an act of communication between God and His people, worship must touch the lives of people, stimulate personal and spiritual formation, and bring healing to relationships. Specific Characteristics: 1) Worship is not a human invention but a God-given gift.

You must write a summary, analysis, and a 1-sentence statement of what you learned for each assigned chapter of the book. The critique for must be no more than 1 page in length, with a new page added to your Microsoft Word file for each.

Webber Book Critique- Robert E. Webber, *Worship Old and New* ...

Here both the Old and New Covenants agree! The true worship of God is essentially internal, a matter of the heart and spirit rooted in the knowledge of and obedience to the revealed Word of God. The Bible also warns of more insidious forms of false worship, namely, religious syncretism and religious hypocrisy.

What is Worship? Biblical Meaning & Definition

The word in the Hebrew for worship in the verb form is "shachah" and it means "to bow down, to prostrate oneself" or to "lay flat on the ground." We see many in the Old Testament prostrate themselves before the Lord. The Greek word for worship that is often used in the New Testament is "proskyneō" and this means to "kiss the hand, to fall on the knees," or to "prostrate oneself" which is similar to what it is in the Old Testament but there are other Greek renditions ...

"A worship that will have staying power is a worship that is firmly grounded in the old, yet aware of and concerned for new ways to respond to the old, old story." In the first edition of *Worship Old and New*, Robert E. Webber introduced an approach to worship that blended historical and traditional practices with contemporary elements. Since then, the spreading fires of worship renewal have provided opportunity for fresh consideration. This significantly revised edition is the result of Webber's interaction with current worship trends. It is intended to be used both in the classroom and by those who want to improve worship in the local church. Reformatted for an easier, logical approach to worship theology, this revised edition of *Worship Old and New* is divided into four major sections, addressing the biblical foundation of worship, its theology, its history, and its practice. New information has been incorporated into each section to give the reader a better grasp of the biblical themes of worship, a deeper understanding of Old Testament customs, and a solid grounding in modern-day renewal

movements. Especially significant is a reexamination of the actual practice of worship that goes beyond the merely academic to provide a practical perspective through the eyes of the worship leader and worshipers. Well-versed in the best of both past and present, *Worship Old and New* is a scholarly, up-to-date, and thought-provoking resource for those serious about exploring worship.

The revised edition of this book, first published in 1982, comes at a time of self-conscious evaluation by Christians of how they worship on Sunday.

A worship that will have staying power is a worship that is firmly grounded in the old, yet aware of and concerned for new ways to respond to the old, old story. Author Robert E. Webber examines the biblical foundations of worship, a biblical theology of worship, a brief history of worship, and the practice of worship. A revised edition of the well-received 1982 publication. With the many models of worship available, choosing a style to worship God can be a bit overwhelming. Is it better to go with traditional or contemporary models? Christians may find themselves asking how early believers worshiped and whether they can provide insight into how we should praise God today. Rooted in historical models and patristic church studies, *Ancient-Future Worship* examines how early Christian worship models can be applied to the postmodern church. Pastors and church leaders, as well as younger evangelical and emerging church groups, will find this last book in the respected *Ancient-Future* series an invaluable resource for authentic worship.

The cultural shift since 2001 is very different than that of the 60's and 70's. It is a culture tired of noise, turned off by phoniness, sick of glitz, and wary of the superficial. It is a culture that is searching for an authentic encounter with God, longing for depth and substance, craving quiet and spiritual contemplation, and moved by visual, tactile forms of communication." "*The New Worship Awakening*" examines the wide array of worship styles, from traditional to contemporary, currently in practice in today's churches. Webber makes a compelling case for renewing the vigor of the spiritual life of the church through two means: grounding worship in the biblical narrative while at the same time integrating an understanding of worship traditions throughout history. Through astute observations and personal experiences, the author emphasizes that Christ can be encountered through the arts, the services of the Christian year, the Sacraments, the singing of hymns and folk songs, the passing of the peace, the Liturgy, and many other means that incorporate Christian worship styles through the ages. He makes the all-important point that worship today celebrates the same Christ who walked the earth two

thousand years ago, and that in true and lively worship there is divine action. "There is an action from above: the Holy Spirit delivers Christ and the benefits of Christ's death and resurrection to the worshippers."

An authoritative new look at one of the most contentious and potentially divisive areas of church planning--worship styles and preferences.

Planning Blended Worship: The Creative Mixture of Old and New is a guide to planning creative worship for congregations that follow the traditional fourfold pattern of worship (gathering, word, table, and dismissal), or those who prefer a free-church, evangelical style, but who are also interested in the core practices (space, texts, and so forth) that have characterized Christian worship throughout the centuries. Robert Webber designed this volume to show pastors, music directors, and other worship leaders the practical, structural, and theological steps for designing worship services characterized by biblical depth, historical awareness, and contemporary relevance. The author includes charts and forms at the end of each chapter that clearly show how music and other arts can be integrated with liturgical texts.

What does it mean to be in the presence of God??'s holiness? How can it affect us whether we seek it out or stumble upon it? Can it truly change our very reality to encounter it? The essayists in this volume explore these questions at the heart of Christian worship, considering the oft-neglected Old Testament as essential to understand our purpose in worship. Following the structure of the Hebrew canon ? beginning with the Pentateuch, moving through to the Psalms, then wisdom literature ? each chapter considers a separate aspect of worship, from theater to the Sabbath to sacred space, offering new inspiration. In the final essay Carol Bechtel ???rereads the book of Job through the lens of our human limitations (as opposed to the usual theme of theodicy), ??? with compelling applications for both life and worship. Each of these essays concludes with two appropriately themed hymns and a ???For Further Reading??? list. Five of the seven contain sidebars that illustrate and enrich key points. Evocative woodcut artwork by Margaret Adams Parker provides a striking backdrop to the text. Taken together, these essays testify powerfully to the belief that the Old Testament is not only valuable but also essential to ???whole??? and fully foundational preaching and worship. Written primarily by Old Testament professors, Touching the Altar will make an engaging supplemental text for introductory or elective Old Testament courses and will also go far toward providing deeper worship for any Christian. What if the way we worship isn't just an expression of our faith, but is what shapes our faith? The Church has believed this about the way we worship and pray together for centuries: The way we worship becomes the way we believe. But if this is true, it's time to take a closer look at what we say and sing and do each week. Drawing from his own discovery of ancient worship practices, Glenn Packiam helps us understand why the Church made creedal proclamations and Psalm-praying a regular part of their worship. He shares about why the Eucharist was the climactic point of their corporate "re-telling of the salvation story." When our worship becomes a rich feast, our faith is nourished and no longer anemic. The more our worship speaks of Christ, the more we enter into the mystery of faith.
