The Land Before Avocado

The Land Before Avocado is a book by Australian radio presenter and best-selling author, Richard Glover. In it he explores life in Australia during the time in which he grew up, the mid-sixties through to the mid-seventies. He explains that recent conversations with incredulous millennials about things both common and rare during that time

The Land Before Avocado on Apple Books

The book's title - The Land Before Avocado - implies that avocado was never available in the 1960s and '70s, and I accept the situation is more complex. It was a boom and bust industry: there would be a good year, and then a year in which much of the crop would be destroyed by disease.

Richard Glover: A smashing of myths for Millennials
